

KeyMark Inc's Marketing Department Wins "Best in South Carolina" at 2008 BMA ProAd Awards

LIBERTY, S.C. (September, 2008) – [KeyMark Inc's](#) marketing department was recently selected by the [Business Marketing Association \(BMA\)](#) of the Carolinas as "The Best in South Carolina" for 2008. The annual business-to-business marketing contest highlights and honors outstanding marketing campaigns in both North and South Carolina.

KeyMark won gold in the event category for their annual Horizons Conference and Customer Day. The same submission earned "Best in South Carolina." "We are really excited about this award," said Natalia Muska, KeyMark's Marketing Communications Specialist. "For a small department inside a small company, we couldn't be more proud of our work and humbled by the judges' selection. There were many impressive projects and agencies represented. We are thrilled to be in such great company."

About BMA

Initiated in 1922 as the National Industrial Advertising Association, today's Business Marketing Association represents a lifetime of expertise in business-to-business marketing and communications. For more than 80 years, BMA has been the preeminent service organization for marketing professionals. For more information on BMA of the Carolinas, visit www.bmacarolinas.org.
